

PhyMed Healthcare Group Names Sam E. Daniel Chief Financial Officer

NASHVILLE, TN (October 20, 2015) – [PhyMed Healthcare Group](#), a physician-led and owned leader of anesthesia and pain management services, is pleased to announce Sam E. Daniel has been named chief financial officer (CFO). In his role, Daniel will be responsible for all aspects of PhyMed's financial operations and will provide strategic financial guidance to drive growth.

Daniel brings more than 30 years of financial leadership with an emphasis on healthcare organizations to his new position at PhyMed. This experience will be pivotal in the growth and strategic direction for the company, as PhyMed continues expanding the depth and breadth of its services. Throughout his career, Daniel has specialized in leading organizations through transformative growth initiatives, including mergers and acquisitions, facilitating strategic alliances, and spearheading process improvement efforts.

"We are anticipating rapid growth for the company in the coming months, and we are excited to have Sam join our team to provide his expertise and knowledge to the company," said Sami S. Abbasi, president and chief executive officer of PhyMed Healthcare Group. "Sam's financial leadership experience, coupled with his specific healthcare experience, will be instrumental in helping us reach our overall business goals."

"PhyMed's dedication to improving clinical excellence is impressive, and I'm proud to join the company as it continues to ensure quality, innovation and performance through the lens of sustainable, cost-effective service delivery models," said Sam E. Daniel, chief financial officer. "I'm looking forward to helping PhyMed achieve its strategic, clinical, financial and operational goals."

Prior to PhyMed, Daniel was CFO of Comprehensive Pharmacy Solutions, and he has also served as CFO at American Pathology Partners. He has also held leadership roles at various laboratory and specialty pharmacy companies throughout his career. Daniel holds a Bachelor of Science degree in Accounting from Freed-Hardeman University and is a Certified Public Accountant.

Daniel is working with Mark Bogovich, PhyMed's CFO since 2012, to transition into the new role. PhyMed thanks Bogovich for his numerous contributions to the company during his tenure and wishes him the best as he begins a new CFO role in North Carolina, where he resides with his family.
